(B) DWELLING: A "dwelling" is any building or portion thereof, which is used as the private residence or sleeping place of one or more human beings, excluding hotels, cabin courts, clubs or lodging houses, or any other institution such as a hospital or jail where human beings are housed by reason of illness or are under legal restraint.

SECTION 3. It shall be unlawful for any person to commence the installation of a septic tank or other approved device or absorption field for sewage disposal unless or until there has first been obtained a "Construction Permit" for the same issued from the office of the Holmes County Health Department. A fee of \$15.00 will be paid to the Holmes County Health Department prior to their issuing a septic tank permit. Said fee will cover percolation test, construction permit and final inspection.

SECTION 5. Any person violating any of the provisions of this Ordinance, upon conviction thereof, shall be punished by a fine not exceeding \$500.00 or imprisonment for a term not exceeding 60 days, or by both such fine and imprisonment. Each day of violation of this Ordinance shall constitute a separate offense.

In addition to the penalties hereinabove provided, any condition caused or permitted to exist in violation of this Ordinance shall be deemed a public nuisance and may be abated by

Holmes County, at the expense of the person maintaining the nuisance, as provided by law, and each day that such condition continues shall be regarded as a new and separate offense.
