WHEREAS, THE BOARD OF COUNTY COMMISSIONERS OF HOLMES COUNTY, FLORIDA, (the "County"), is aware that local governments may, by virtue of the twenty-first (21st) amendment to the United States Constitution, regulate and prohibit various forms of actual and simulated nude and sexual conduct, and the depiction thereof, within and around establishments dealing in alcoholic beverages. See *California V. LaRue*, 409 U.S. 109, 93 S. Ct. 390, rehearing denied, 410 U.S. 948, 93 S. Ct. 1351 (1972); and *New York State Liquor Authority v. Bellanca*, 452 U.S. 714, 101 S. Ct. 2599 (1981); and,

WHEREAS, the County is aware that local governments may prohibit the exposure of certain body parts in and around establishments dealing in alcoholic beverages, see *Geaneas v. Willetts*, 911 F. 2d 579 (11th Cir. 1990); and,

WHEREAS, the County wishes to regulate nudity and sexual conduct in and around establishments dealing in alcoholic beverages; and, the county is aware of evidence from other communities that indicates that nudity and sexual conduct, coupled with alcohol in public places, begets undesirable behavior, and that prostitution, attempted rape, rape and assault have occurred and have the potential for occurring in and around establishments dealing in alcoholic beverages where nude and sexual conduct is permitted; and,

WHEREAS, the County wishes to protect against similar conditions to the end that they not occur in Holmes County at or around establishments dealing in alcoholic beverages; and,

WHEREAS, the County desires to prohibit the public display of nude contact and sexual behavior or the simulation thereof in and around establishments dealing in alcoholic beverages; and,

WHEREAS, the County finds and determines that there are increasing incidents of nudity in public places other than establishments dealing in alcoholic beverages and in other places readily visible to the public; and,

WHEREAS, the County finds and determines that persons who choose to appear nude in public places are engaging in conduct which often serves to impose their nudity on others who did not seek it out, who are not able to reasonably avoid observing it, and who may be offended or distressed thereby; and,

WHEREAS, appearing nude in public places was a criminal offense at common law and was considered an act malum en se; and,

WHEREAS, the County desires to protect and preserve the unique character of Holmes County as a family oriented, historic attraction for families, tourists and businesses; and,

WHEREAS, the County finds and determines that appearing nude in public places is still contrary to the general societal disapproval that the people of Holmes County have of persons appearing nude among strangers in public places; and,

WHEREAS, the County finds and determines that the mere appearance of persons in the nude in public places generally increases incidents of prostitution, sexual assaults, and batteries, attracts other criminal activity to the community , and encourages degradation of women and other activities which break down family structures; and,

WHEREAS, the County finds and determines that without regulation, public nudity constitutes harmful conduct and occurs in a manner which is incompatible with the normal primary activity of a particular place at a particular time; and,

WHEREAS, the County's sole intent in enacting this ordinance is to prohibit the conduct of being nude in public places and to suppress the adverse secondary effects such nudity generates, the County nevertheless recognizes that there may be instances wherein appearing nude in a public place may be expressive conduct incidental to and a necessary part of the freedom of expression that is protected by United States or Florida constitutional provisions; and,

WHEREAS, a requirement that dancers don opaque covering sufficient to cover the buttocks and the breasts as such portions of the human anatomy are defined in this ordinance does not deprive the dance of whatever erotic message, if any, it may convey, but simply makes such message, if any, slightly less graphic and imposes only an incidental limitation on the message; and,

WHEREAS, it is the intent of the County to protect and preserve the public health, safety, welfare and morals of Holmes County by restricting , to the

full extent allowed by the United States and Florida constitutions, the act of being nude in places which are not frequented by the public and places which are not readily visible to the public; and,

WHEREAS, Holmes County is a rural area with a population less than Twenty Thousand people; and,

WHEREAS, Holmes County is a county that is, and desires very much to continue to be, an area that contains and is known for traditional wholesome public recreation activities and historic facilities; and,

WHEREAS, the County finds and determines that the average person applying contemporary Holmes County community standards would find that the public nudity prohibited by this ordinance, if allowed, when taken as a whole (i) appeals to the prurient interests and (ii) lacks serious literary, artistic, political, and scientific value; and,

WHEREAS, non regulation of persons appearing nude in public places within Holmes County encourages commercial entities and other entities and persons to advertise outside of Holmes County and the State of Florida by billboard, radio, print and other media the availability of nudity in public places within Holmes County and thus encourages the influx into Holmes County of persons seeking (i) to observe and/or participate in such nudity and (ii) to participate in the disorderly, harmful and illegal conduct that is associated therewith, thereby increasing injuries and damages to the citizens of this County who will be victims of such increased disorderly, harmful, and unlawful conduct; and,

WHEREAS, competitive commercial advertising and/or exploitation of nudity encourages escalation of nude and lewd conduct within the competing commercial establishments exploiting such conduct and thereby increases the adverse effects upon the public order and the public health; and,

WHEREAS, the County finds and determines that the prohibitions contained herein are the most reasonable and minimal restrictions required so as to regulate conduct which is adverse to public order, health, morality and decency within Holmes County when such conduct takes place at locations within Holmes County when such conduct takes place at locations where the public is present or is likely to be present, or where such conduct would be readily visible to the public; and,

WHEREAS, the passage of this ordinance is necessary to preserve the basic character of Holmes County; and,

WHEREAS, the County is aware that State may regulate the conduct of appearing nude in public places, see Michael Barmes v. Glen Theatre, Inc. 115 L .Ed 2d 504, 111 S. Ct. 2456 (1991); and,

WHEREAS, the County is not hereby prohibiting nudity in truly private places or prohibiting nudity which is protected by United States or Florida constitutional provisions; and,

WHEREAS, the County finds and determines that the express exemption contained in Section 7 (b)(ii) of this ordinance provides adequate protection to persons who, without such express exemption, might otherwise be prevented or discouraged by the ordinance from exercising constitutionally protected rights; and,

WHEREAS, the County finds and determines that this ordinance is consistent with its current comprehensive plan;
