Dear Sir:

The Holmes County Planning Commission met July 29, 1999 to review a Land Use Change Application submitted by Broward Chapman from Agricultural to Commercial located just south of Linda's Grocery off Highway 179 on Willoughby Drive. Mr. Chapman wants to open a recreational facility to include a game room, music, and dancing with no alcohol allowed on the premises.

The board discussed with Mr. Chapman his application and activities within the recreational facility as well as ways of having an alcohol free establishment. The Planning Commission Board recommends the following:

The Holmes County Planning Commission Board has reviewed the Land Use Change Application submitted by Broward Chapman from Agricultural to Commercial and unanimously approves the land use change as submitted from Agricultural to Commercial for the purpose of opening a recreational facility excluding any an all alcohol on the premises.

If I may be of further assistance you may contact me at 547-1110.

Sincerely,
